- **Refreshments:** We offer refreshments during the break, after the pool session.
- **Professional instructors:** We have a team of friendly staff members and certified trainers to assist you throughout the entire experience and make you feel comfortable.
- **Safety gear:** All necessary safety equipment is provided to ensure safety during the dive.
- **Diving Equipment:** All the necessary diving equipment required for a smooth and safe experience is included in the package.
- **Boat Transfers:** The Varkala itinerary includes the transfer facilities to and from the starting point of the adventure.

## EXCLUSIONS:

- **Accommodation:** Arrangements for accommodation before and after the Scuba diving experience are not a part of the package.
- **Meals:** This Scuba diving plan does not include meals, only refreshments.
- **Sightseeing:** No sightseeing activities are included.
- **Insurance:** Insurance is not covered.
- Anything not mentioned in the 'Inclusions' section

## ITINERARY:

### 1. Welcome and Registration

When you arrive at the scuba dive centre, you are warmly welcomed by the team, which makes you feel comfortable. We understand the anxiety and excitement regarding the scuba diving experience, and hence, we allow a short period to help you relax. After a while, our Scuba diving Varkala team will be asked to complete the registration form and sign the medical fitness form and Standard Risk Acknowledgment & Disclaimer form.

## **2. Introduction Session**

The skilled trainers familiarize you with the equipment, the protocols, and the day's schedule. Every nitty gritty about the experience, would be explained to you in detail.

## **3. Activity 1: Theory Session**

A comprehensive session is held as per the Varkala itinerary to cover the basics of scuba diving. You're further taught about the essential equipment, hand signals, and safety guidelines crucial for your underwater experience.

## **4. Activity 2: Pool Training**

After the initial instruction session, you are taken to a pool for scuba diving training. The trainer teaches you everything about practising fundamental skills like mask clearing, regulator retrieval, and buoyancy control. This pool session helps you understand what to expect in the Open Sea.

## **5. Activity 3: Open Water Dive**

Once you complete your training session, we will give you a small break. Indulge in some refreshments included in the package as you prepare for your "real" adventure. You will board a boat to reach the exclusively chosen site for the open-water dive. The time has arrived when you can finally experience the thrill of your first open-water dive! You do not have to worry about safety measures as your instructor will closely guide you through the experience. You focus on exploring the breathtaking underwater world, witnessing the majestic marine life. Immerse yourself in the environment using the skills you learned during the pool session.

## **6. Debrief and Certification**

After the dive, gather for a debriefing session with the instructor. Share your exciting dive highlights, address any questions, and receive feedback on your performance. Receive a certificate of completion for your memorable adventure.

## **7. Departure**

Bid farewell to the Varkala Beach Scuba diving team and fellow divers. We will expect you to come back soon for your next thrilling underwater adventure.
