ITINERARY:

1. Welcome and Meet up

Welcome to the designated meeting point for the Little Amazon exploration. Since there is a designated starting point that cannot be reached by car, our team will be available at the meeting point. After your scheduled meetup with the AdventuRush team, we will take you to the activity's starting point in a 10-minute drive. After the car ride, it's time to board the boat to reach the activity location. Each of these rides takes you through scenic routes, creating the mood for the upcoming experience.

2. Exploring the Backwaters

The real adventure begins once you reach the activity location in the boat. As you ride through the tranquil and rustic backwaters, catch glimpses of the exotic birds flying around. Do not miss to click them or the colourful fishes that often come near the water's surface showcasing their majestic beauty. Experience the magic of the Vembanad Lake tour as you reminisce about the region's unique resemblance to the majestic Amazon. Let the tranquillity of the surroundings transport you to a world of serenity and natural beauty.

3. Time to Return

After spending an hour or more exploring the Little Amazon, it's time to bid goodbye. The same **boat ride to Vembanad Lake** brings you back to the common starting point. Once you reach the starting point, the designated vehicle returns you to the meeting point. Reflect on the unique experiences encountered during the canoe ride as you travel back.

4. Drop-Off and Farewell

The beautiful Little Amazon exploration concludes as we drop you off at the meeting point. Bid farewell to the team as you depart with a heart full of fond memories of the canoe ride.
